Prime Meridian GoldZone

(via the feet)

The *Prime Meridian GoldZone (via the feet)* is an all-natural rejuvenative technique that uses the extraordinary meridian zones and signal system in the feet to unleash the natural healing power of the body. This advanced technique places the body in a state of peak condition and balance - physically, mentally, emotionally and spiritually - and then allows the body's natural intelligence to take over. The power of this technique is impossible to put into words.

Through the *Prime Meridian GoldZone* program, you will receive a comprehensive education through seven modules where you will learn:

- The *Prime Meridian GoldZone* technique and how to place the body in a state of peak condition and balance - physically, mentally, emotionally and spiritually.
- How the body works through a simplified, easy-to-learn anatomy / physiology curriculum that gives an in-depth understanding of the body without the complexity of traditional terminology;
- Natural methods of rejuvenation like therapeutic-grade essential oils, herbs, food, sunshine, air and water, and more;
- How to identify disturbances in the body;
- How to identify the cause(s) of disturbances in the body;
- How to identify the cause(s) of symptoms;
- Recommendations for restoring the body, allowing it to reach its prime*;
